

IF AND WHEN IT IS LAWFUL for us victims of telemarketers TO OBTAIN  
THE RESIDENTIAL PHONE NUMBERS of TELEMARKETING EXECUTIVES AND  
THEIR CALL CENTER EMPLOYEES and CALL THEM BACK at the times THEY  
consider to be MOST INTRUSIVE (at mealtime, family time, bedtime,  
etc) TO COMPLETE the business for which they're already intruding  
on OUR family time, only then will I accept that the no-call list  
is unconstitutional. Until then, the no-call list STAYS or the FCC  
and a good portion of government is NOTHING BUT A SCAM and a  
COUNTRY CLUB. !!!!!!!!!PERIOD!!!!!!!! (remember ...by the  
people??? ...for the people???)
